Social Learning Lab
Stanford University

Part 1: Before the study

The following slides serve to:

- Welcome parents and children to the study (slide 3)
- Introduce the study (slide 4)
- Note: When we talk to parents and children, we usually refer to our studies as “games”

Welcome!

About today's game

10 minutes

Meet Granny and her friends!

What does your child think?

This game will be recorded.
